Education is the future

Pajapita Elementary School - Updates

School supplies delivered, as donations to all students Preschool- 6th grade

Incredible news - the total student population increased by 30% for 2022!

La Union Secondary School Citizenship

School's annual government elections took place in April, each grade represented one of the parties. Elections included ballots, ballot boxes and students voted freely.

This event was a success! Now the elected school government will be a model of citizenship in La Union and members will attend the district's student elections in June, as set out by the Ministry of Education.

La Union Middle school Guidance

Our school psychologist talking to our students about personal and academic goals.

Topics included how to avoid distractions for better focus and how we can make changes in our minds and hearts to live happily.

La Union Middle School Art Class - National Identity

Students' process work as they paint the image of Concepcion Ramirez on the school's wall. Ramirez has been a national symbol since 1959, and her face has appeared on the 25-cent coin since 1964.
